<b>Audio Technical Service</b>		<b>\$75.00</b>
This service gives you access to Alaska's most advanced meeting room audio system. Our certified facility technician works with you to ensure correct connectivity with your audio equipment and provide instruction on the necessary room audio controls.		
<b>Image Projection Service</b>		<b>\$120.00</b>
Utilize your projector in our professional setup. Service includes projector stand and power*. A complete inventory of additional video accessories is available on site. *Applicable only to floor supported projection.		
<b>House Lighting Technical Service (Lutron)</b>		<b>\$75.00</b>
Our certified lighting designer will create the ideal ambiance specifically for your event. Service includes creation of up to two custom lighting scenes, and instruction on room shade and lighting controls.		
<b>Banner/Decoration Hanging Service</b>		<b>\$150.00 per banner</b>
A Lift Certified technician familiar with the building and room configurations will meet with you prior to the event to determine proper placement of your banners, coordinate set up, and schedule lift use if needed. (wall mount/ceiling mount)		
<b>Aerial Lift Service</b>		<b>\$50.00 per hour</b>
For your convenience a 32' Genie Aerial Scissor Lift is available to you or your staff, operators must be certified. In addition, each of Imig A/V's technicians are certified in aerial lift operation and available at your request**. *2-Hour minimum **Additional fees apply		
<b>High Speed Internet/Telephone Installation</b>		<b>\$65.00 per line</b>
Our technician will install the requested internet/phone lines to the predetermined location/s and confirm lines are active and functioning properly. Lines will be removed after the close of the event. For more complex communication requirements, technicians are available. *Includes temporary installation of lines only.		

The services listed are small sampling of the full range of capabilities that Imig Audio/Video offers. From design to strike, call on us for full-service meeting and event audio visual services.

At Imig Audio/Video we are motivated by our commitment to your success!

\*One or more of these services may be required when providing own audio/visual equipment.
